The department of Electronics and Instrumentation Engineering of Easwari Engineering College conducted The Alumni Reunion virtual Meet 2020 was held on 30th of May 2020 through Google meet. 128 students registered for this event out of that 100 students participated. The Meet started with the welcome speech delivered by Dr. Gunaselvi Manohar, Coordinator of alumni association. Then Dr. Usha Menon, Dean of alumni affairs addressed the gathering. Next, Mrs. Sandhya Raj, Entrepreneur, USA who belonged to 2006 passed out batch addressed the people. She motivated the alumni to encourage the students to choose EIE and improvise admission in our college. Then was the interaction session. There was a large number of participants from 2002, 2003, 2004, 2006, 2007 batches. They shared their college memories and their experience over these years. They expressed strongly that they are very much proud and happy to get their EIE degree from our Easwari Engineering College. Many stated that Instrumentation engineers are able to shine in various fields like power plant, chemical and fertilizer industries, Space research field, defence, Atomic research centre etc and EIE has always been an important part in the industry. They were really excited to meet some of their friends, seniors, juniors and staff after a long time. The Meet ended with vote of thanks. All the alumni bid bye hoping that they could meet someday.
