

STAFF ACHIEVEMENTS

Dr.S.Nagarajan
Professor&HOD/EIE

- Received Rs.2, 50000 from Honeywell for Aerospace manual.
- Received Rs. 9, 00000 from AICTE for MODROBS.
- Received Rs.30,000 from IET for conducting two days' workshop on "Renewable energy Sources"
- Received Rs.25,000 from IET for conducting two days' workshop on "Modeling and control of solar energy systems"
- Received Rs.25, 000 from ICMR for conducting national level Seminar on "Medical imaging Techniques and Telemedicine".
- Received Rs.25, 000 from DRDO for conducting national Conference.
- Meritorious student award in S.S.L.C by Govt. of Tamil Nadu.
- Selected for quarter final round in DST-Texas Instruments India Innovation Challenge 2018(IICDC 18).
- He has published 12 papers in Scopus journal and 1 paper in IEEE journal.
- He has received 2 Elite+ Gold medal and one silver medal in NPTEL certification course.
- He has received Distinguished Professor award from IARDO rising star awards in Engineering during July 2019.
- He has received Teaching awards in Engineering during September 2019.

Dr.Gunaselvi Manohar
Associate Professor

- Recipient of “The BEST PROGRAMME OFFICER AWARD” from Indian Red cross Society, Chennai.
- She has received”ISA student section mentor Award” from ISA.
- She has received 40,000 from DIT for conducting National conference.
- Received Rs.20,000 from MOES for conducting National Seminar on “environmental Science and Engineering.
- She has published16 papers in Scopus journal, web of Science and Springer
- The Project title “Automation of hydroponics using NOD MCU by interfacing with cognitive IOT” guided by her received FiFth prize with cash award of Rs.10000/- from Easwari Engineering college during Projectday.
- She has received best star faculty award in EIE department.
- She has received Rs.4,75,000/- from AICTE for conducting FDP.

Dr.S.Sobana

Associate Professor

- Has received Dr. APJ Abdul Kalam Award for Innovation in research by SEEE (2017)
- Has received Distinguished Women Administrator award under EIE department (2016) by VIWA.
- Received Rs.25,000 from IET for conducting two days' workshop on "Modeling and control of solar energy systems"
- She has published paper titled "Identification of high temperature short time milk pasteurization unit" in Journal of Food Process Engineering with impact factor 1.448
- She has published 11 papers in Scopus Journals.
- She has received "The Confederation of Elite Academicians of IICDC 2019" award Powered by DST & Texas Instruments.

Dr.P.Navaseelan
Associate Professor

- He has received 25,000 from DRDO for conducting national conference.
- He has received 2 Elite+ Gold medal and one silver medal in NPTEL certification course.
- He has received silver medal in NPTEL certification course.
- He has published 7 papers in Scopus Journals.

Dr.K.Kalaivani
Associate Professor

- She has received 40,000 from DBT for conducting national seminar.
- Received Rs.25, 000 from Anna University for conducting Faculty development Programme.
- She has received 25,000 from ICMR for conducting national seminar.
- Received Rs.40, 000 from BRNS for conducting national seminar.
- She has published 8 papers in Scopus journals and one paper in “Web of Science”.
- The Project title “Automated wireless meter reading system for monitoring and controlling power” guided by her got shortlisted for Texas instruments IICDC-2019 Semi- Finals Round.
- She has received Rs.4,75,000/- from AICTE for conducting FDP.

Mrs.R.Lakshmi
AssistantProfessor

- She has received an award for achieving 100% result in Disaster Management.
- She has received Rs.4, 75,000/- from AICTE for conducting FDP.
- She has published 7 papers in Scopus Journals.
- She has Successfully completed the NPTEL certification course.

Mrs. Pearley Stanely
Assistant Professor

- She has received 30,000 from CSIR for conducting national conference.
- Certificate of appreciation Award for Mentoring project to Texas Instruments Innovation.
- She has received Rs.4, 75,000/- from AICTE for conducting FDP.
- She has published 8 papers in Scopus Journals.
- She has received Rs.7500/- from TNSCST Project.

Mrs.R.Sudha
AssistantProfessor

- Received Rs.20,000 from MOES for conducting National Conference on” Water treatment,Reuse,modeling and control of Desalination process”.
- Received Rs.20,000 from MOES for conducting National Seminar on “environmental Science and Engineering.
- DIT sponsored National Conference on “Control, Communication and Information Technology” – Rs .40,000.
- Achieved 100% result in Industrial Instrumentation-II .
- She has published 7papers in Scopus journals and three in International conference.

Mrs.T.Kalaiselvi
AssistantProfessor

- She has received 25,000 from ICMR for conducting national seminar.
- She has received 40,000 from BRNS for conducting national seminar.
- Received Rs.30,000 from IET for conducting two days' workshop on "Renewable energy Sources".
- She has received 15,000 from IET for conducting workshop
- Received an award for achieving 100% result in Microprocessor and Micro controller.
- Received Rs.13, 000 from IEEE-EEC student chapter for conducting one week hands on training.
- She has published 7 papers in Scopus Journal.

Mrs.B.Chinthamani
AssistantProfessor

- Received Rs.30,000 from IET for conducting two days' workshop on “Renewable energy Sources”
- Received Rs.25,000 from IET for conducting two days' workshop on “Modeling and control of solar energy systems”
- Received an award for achieving 100% result in Disaster Management in the academic Year 2018-2019.
- She has received 15,000 from IET for conducting workshop.
- She has published 7 papers in Scopus Journal.

Mrs.K.R.Sughashini
AssistantProfessor

- The Project title “Industrial Air Safety and Monitoring System” guided by her received third prize with cash award of Rs.10000/- from Easwari Engineering college during Project day.
- She has received best star faculty award in EIE department.
- She has published 7 papers in Scopus Journal.

Mrs.V.Sunanthini
AssistantProfessor

- Received an award for achieving 100% result in Instrumentation in petrochemical Industries.
- She has received Elite Score in NPTEL certification Course.
- She has published 7 papers in Scopus Journal.

Mrs.R.Nagalakshmi
AssistantProfessor

- Secured University Rank in Bachelor of Engineering.
- Secured District level prize in essay writing.
- School Topper in S.S.L.C Examination.
- She has published three papers in Scopus Journal.

Mrs.J.Johnsi
AssistantProfessor

- Presented many papers in National and International conferences and journals
- Coordinated webinars and online programs
- Guided many UG and PG projects
- Proposed a project titled “IOT based Smart Village” for STRIDE

Mrs.K.Nandini
AssistantProfessor

- Secured silver medal in NPTEL Exam-Nanotechnology in Biomedical.
- Entered semifinals in IICD_2019 conducted by Texas Instruments.
- Proposed project titled “solar tracking system” for STRIDE.
- Secured multiple certificates on the domain of Artificial Intelligence.
- Coordinated multiple International Events on Technical and Non-Technical Domains.
- Guided for UG Student Projects.

Mrs.M.Suganya
AssistantProfessor

- She has published six papers in Scopus Journal.

Mr.T.Surendran
AssistantProfessor

- Secured multiple certificates on the domain of Artificial Intelligence.
- Coordinated multiple International Events on Technical and Non-Technical Domains.
- Acted as guide on UG Student Projects.
- He has published 4 papers in Scopus Journal.
